The EZ Rider Snow Fest Event on 30 acres has been mapped out below. If you are coming down from the north east side DSVJ Trails you have several options once you hit WM-3 to ride to WM-8 where the event is being held. Those riding in from the north west from Woodford, you have two options; run the power lines south to the state line and head east into the woods towards WM-8 or come down 8 to WM-8.

Our riders riding in from the south MA trails you have two option's to ride into the event. Come down our Trail 91 on the Power Lines and head toward Colrain and Cook State Forrest. Coming from Colrain head towards the VT state line on the trail that runs through Cook State and when you hit the big field that heads towards the power lines ride 1/4 mile to the intersection sign, we now have a 3 arm intersection sign there. Then head right towards our intersection WM-8 about 1/4 mile east. PLEASE do not ride in the large field when coming in from the MA side. The trail in and out is marked and the landowner has always looked out for the club and we all want to make sure we do the same for them.

This will be a fun filled day and a lot's of really GREAT raffle prizes. A full raffle list will be posted by weeks end. Polaris 2016 Demo rides will be available from 11 AM to 3 PM. The Exhibit Track will have some great Pro Riders showing you their stuff and sharing riding tips. We packed in some snow games with great prizes for each event winner. The EZ Rider Snowmobile Club would like everyone to have a AMAIZING time, share some great food and share in the prizes our wonderful sponsors have provided & the family fun of snowmobiling.
